Scottish Society for the Prevention of Cruelty to Animals | Scottish Charity No. SC 006467
WHAT IS ANIMAL GUARDIANS?
Animal Guardians is a free one-to-one education programme suitable for primary school aged children. Together with our youth engagement officer, children will play a range of games and activities to help them learn about animal emotions, what animals need to keep them healthy and happy, and how to be responsible when around animals.

If you would like to know if your child would benefit from this programme or have any concerns about a child’s behaviour towards animals, please phone for guidance on 03000 999 999, option 5.

WHO CAN REFER?
A child can be referred by anyone who is in a position of care for that child. This includes:
- Parents or other relatives/carers
- Teachers
- Childcare and health professionals
- Charitable organisations working with a child

HOW DO YOU REFER?
1. Complete the consent and referral forms found on our website scottishspca.org/education/animal-guardians
2. Email the forms to animalguardians@scottishspca.org or submit by post to the Scottish SPCA
3. One of the Scottish SPCA’s youth engagement officers will then be in touch to discuss the referral in more detail
