Dear [Candidate or MSP name],

I am writing as your constituent to ask you to support the Scottish SPCA's manifesto to drive lasting change for Scotland's animals.

The four key asks are rooted in evidence and data, and reflect strong public support as highlighted in the most recent Animal Kindness Index, produced in partnership with RSPCA and USPCA. I want to add my voice to that support and urge you to do the same.

Scotland's animals, whether domestic, farmed or wild, deserve protection and respect. The Scottish SPCA plays a vital role in prevention, rescue and enforcement, but it needs the backing of government to deliver the level of change that animals in Scotland urgently need.

Please commit to supporting the manifesto's key asks as part of your priorities for animal welfare ahead of the 2026 election. Scotland's animals deserve our voice.

Thank you for your time and consideration.
